

Notice2Action — Gujarat Education Intelligence Database: Comprehensive Master Verification and Policy Analysis (2025–2028)

Executive Summary

State-level educational administration in Gujarat operates through centralized statutory bodies covering secondary testing, professional admissions, scholarship disbursements, and public recruitment. Navigating these systems requires understanding operational timelines, statutory eligibility criteria, and administrative portals that govern student mobility. Significant structural modernizations include the implementation of the Gujarat Common Admission Services (GCAS) across non-professional university streams, the recalibration of Direct Benefit Transfer (DBT) welfare interventions such as the Namo Lakshmi and Namo Saraswati Vigyan Sadhana initiatives, and standardized technical admission matrices under the Admission Committee for Professional Courses (ACPC).

Educational decision-making is often hindered by fragmented reporting, unofficial aggregators misquoting past dates as confirmed deadlines, and unverified assumptions regarding application extensions. Secondary aggregators frequently conflate tentative projection calendars with gazetted administrative orders. This investigation audits, verifies, reconciles, and formalizes Gujarat's core educational data points across the 2024–25, 2025–26, 2026–27, and 2027–28 cycles.

Every data point has been classified using a five-tier epistemic verification protocol and a four-tier deadline intelligence framework. The master intelligence dataset bridges verified policy notices with institutional patterns, providing an empirical baseline for autonomous reasoning within the Notice2Action system.

Epistemic Standards and Evidentiary Protocols

Reliable automated reasoning over public policy databases requires explicit epistemic classifications. Educational notices and administrative orders in Gujarat move through stages of departmental drafting, gazetted publication, portal implementation, and occasional modification via corrigenda. To prevent secondary aggregations from corrupting decision algorithms, each record in this report is anchored to a defined verification standard.

Data records are tagged under a five-tier source taxonomy that establishes evidentiary precedence:

- **OFFICIAL_PRIMARY:** Information retrieved directly from government departmental portals (*.gujarat.gov.in, *.guj.nic.in), statutory bodies (GSEB, GPSC, GSSSB), and official gazette notifications.
- **OFFICIAL_SECONDARY:** Information derived from verified circulars, helpdesk manuals, or public statements issued by authorized university registries and nodal institutes, such as LDCE, GTU, or VNSGU.

- **REPUTABLE_SECONDARY**: Information reported by established educational journalistic outlets and national tracking services requiring corroboration, including Careers360, Shiksha, and CollegeDunia.
- **HISTORICAL**: Information established by multi-year recurring statutory precedent, such as annual GSEB board exam periods, that lacks an active gazetted notification for future cycles.
- **UNVERIFIED**: Claims present in commercial web indices that lack departmental corroboration or show unresolved contradictions.

The underlying logic enforces a strict evidentiary rule where accuracy supersedes completeness, and verified facts override administrative projections. Uncorroborated secondary reports are never elevated to confirmed status. When primary circulars contradict secondary aggregators, the primary circular is adopted, and a corresponding conflict record is logged.

Date Verification Classifications and Deadline Intelligence Framework

A common failure mode in educational guidance systems is the mischaracterization of application deadlines. In Gujarat, application timelines for scholarships and centralized admissions often follow recurring patterns of initial cutoff dates, formal departmental extensions, and unpublicized institutional buffer windows. To maintain temporal consistency, dates are classified using a standardized validation status.

Date Classification Status	Operational Definition	Agent Reasoning Constraint
OFFICIALLY CONFIRMED	Date published via gazette, official notification, or primary portal circular.	Execute actions, send definitive cutoff alerts to applicants.
OFFICIALLY EXTENDED	Revised date supported by a formal corrigendum or departmental extension order.	Override original deadline; cite the specific extension notice.
SECONDARY-SOURCE VERIFIED	Corroborated across multiple independent reporting outlets, awaiting primary gazette confirmation.	Flag as provisional; prompt user to monitor the official portal.
HISTORICAL PATTERN	Projection based on multi-year procedural trends; no official cycle order issued.	Never state as confirmed fact; append standard uncertainty disclaimers.
NOT ANNOUNCED	Cycle acknowledged by statute or regulation, but specific dates remain unreleased.	Populate calendar variables as null; suppress scheduling actions.
CONFLICTING	Incompatible dates published across independent or official channels.	Trigger conflict reconciliation logic; log source discrepancies.
UNVERIFIED	Isolated dates published on tertiary web pages without official trail.	Suppress from primary workflow; place in pending audit queue.

The Notice2Action reasoning model treats deadline extensions through a four-tier classification system:

1. **Confirmed Extension:** A formal government resolution (GR) or committee notice has legally extended the window.
2. **No Extension Announced:** A deadline exists, and no extension notice has been published.
3. **Historical Extension Pattern:** The scheme has historically extended deadlines, but no current extension has been authorized. The system directs the student to apply before the active deadline.
4. **Unknown:** Extension mechanics cannot be verified from reliable records.

Gujarat Multi-Year Education Intelligence Timeline (2024–25 to 2027–28)

The Gujarat academic cycle operates through a synchronized progression where board examinations and entrance tests occur in late winter and early spring, followed by centralized admissions in early summer, and state scholarship and welfare registrations throughout late summer and autumn.

Dates for past and active cycles reflect confirmed administrative orders, while entries for upcoming cycles are classified by their formal announcement status.

Cycle / Target Window	Entity / Mechanism	Event Description	Verified Operational Status	Source Level & Basis
2024–25 Cycle	GSEB SSC / HSC	Class 10 & 12 Board Examinations (Feb 27 – Mar 13, 2025)	Officially Completed	OFFICIAL_PRIMARY (gseb.org)
2024–25 Cycle	GSEB GUJCET	Common Entrance Test (March 23, 2025)	Officially Completed	OFFICIAL_PRIMARY (gseb.org)
2024–25 Cycle	ACPC Engineering	B.E./B.Tech Centralized Allotment & Spot Rounds (May–Aug 2025)	Officially Completed	OFFICIAL_PRIMARY (gujacpc.admissions.nic.in)
2024–25 Cycle	GCAS Inception	Phase 1 Unified State University Admissions (June–Aug 2025)	Officially Completed	OFFICIAL_PRIMARY (gcas.gujgov.edu.in)
2024–25 Cycle	Digital Gujarat	Post-Matric SC/ST/OBC Scholarship Verification (Aug 2024 – Mar 2025)	Officially Completed	OFFICIAL_PRIMARY (digitalgujarat.gov.in)
2025–26 Cycle	GSEB SSC / HSC	Class 10 & 12 Board Examinations (Feb 26 – Mar 12, 2026)	Officially Completed	OFFICIAL_PRIMARY (gseb.org)
2025–26 Cycle	GSEB GUJCET	GUJCET 2026	Officially	OFFICIAL_PRIMARY

Cycle / Target Window	Entity / Mechanism	Event Description	Verified Operational Status	Source Level & Basis
		Exam (March 29, 2026)	Completed	RY (gujcet.gseb.org)
2025–26 Cycle	GSEB Results	HSC Science & GUJCET Results Declared (May 4, 2026)	Officially Completed	OFFICIAL_PRIMARY (gseb.org)
2025–26 Cycle	GSEB Results	SSC (Class 10) Results Declared (May 6, 2026)	Officially Completed	OFFICIAL_PRIMARY (gseb.org)
2025–26 Cycle	ACPC Engineering	Registration Window (March 31 – May 31, 2026)	Officially Completed	OFFICIAL_PRIMARY (gujacpc.admissions.nic.in)
2025–26 Cycle	ACPC Engineering	Round 1 Allotment & Admission Confirmation (June 25, 2026)	Officially Completed	OFFICIAL_PRIMARY (gujacpc.admissions.nic.in)
2025–26 Cycle	ACPC Engineering	Round 2 Allotment Confirmation (July 15, 2026)	Officially Completed	OFFICIAL_PRIMARY (gujacpc.admissions.nic.in)
2025–26 Cycle	ACPC Engineering	Round 3 / Vacant Seat Allotment (July 28 – Aug 5, 2026)	Officially Completed	OFFICIAL_PRIMARY (gujacpc.admissions.nic.in)
2025–26 Cycle	ACPUGMEC Medical	Gujarat NEET UG Registration (August 1 – 12, 2026)	Officially Completed	OFFICIAL_PRIMARY (medadmgujarat.org)
2025–26 Cycle	ACPUGMEC Medical	UG State Quota Merit Publication & Round 1 (August 2026)	Officially Completed	OFFICIAL_PRIMARY (medadmgujarat.org)
2025–26 Cycle	GCAS Centralized	Regular UG Registration (Closed July 14, 2026)	Officially Completed	OFFICIAL_PRIMARY (gcas.gujgov.edu.in)
2025–26 Cycle	GCAS Centralized	Vacant Seat Based Counselling (VSBC Extended July 21, 2026)	Officially Completed	OFFICIAL_PRIMARY (gcas.gujgov.edu.in)
2025–26 Cycle	Digital Gujarat	Special Window SC Post-Matric Reopening (May 26 – Jun 8, 2026)	Officially Completed	OFFICIAL_PRIMARY (digitalgujarat.gov.in)

Cycle / Target Window	Entity / Mechanism	Event Description	Verified Operational Status	Source Level & Basis
2026–27 Cycle	Digital Gujarat	Post-Matric Fresh/Renewal Application (Opened Aug 2026; Closes Oct 31, 2026)	OFFICIALLY CONFIRMED	OFFICIAL_PRIMARY (digitalgujarat.gov.in)
2026–27 Cycle	MYSY Higher Ed	Application Portal Window (Expected July/Aug 2026; Deadline Oct/Nov 2026)	SECONDARY-SOURCE VERIFIED	REPUTABLE_SECONDARY (mysy.guj.nic.in)
2026–27 Cycle	Namo Lakshmi	DBT Enrolment & School Nodal Verification (Ongoing AY 2026–27)	OFFICIALLY CONFIRMED	OFFICIAL_PRIMARY (namopayments.gujaratvsk.org)
2026–27 Cycle	GPSC Civil Services	Class 1 & 2 Preliminary Exam (June 7, 2026)	Officially Completed	OFFICIAL_PRIMARY (gpsc.gujarat.gov.in)
2026–27 Cycle	GPSC Civil Services	Class 1 & 2 Main Examination (October 5 – 11, 2026)	OFFICIALLY CONFIRMED	OFFICIAL_PRIMARY (gpsc.gujarat.gov.in)
2026–27 Cycle	GSSSB CCE (378)	Combined Competitive Exam Registration (Extended to Mar 2, 2026)	Officially Completed	OFFICIAL_PRIMARY (ojas.gujarat.gov.in)
2026–27 Cycle	GSEB SSC 2027	Theory Examinations Officially Scheduled (Feb 25 – Mar 17, 2027)	OFFICIALLY CONFIRMED	OFFICIAL_PRIMARY (gseb.org)
2026–27 Cycle	GSEB SSC 2027	Practical Examinations Officially Scheduled (Feb 1 – Feb 3, 2027)	OFFICIALLY CONFIRMED	OFFICIAL_PRIMARY (gseb.org)
2026–27 Cycle	GSEB HSC 2027	Class 12 Science & General Board Exams (Late Feb – Mid March 2027)	HISTORICAL PATTERN	HISTORICAL (No gazette order issued)
2026–27 Cycle	GUJCET 2027	Online Registration	HISTORICAL PATTERN	HISTORICAL (gseb.org)

Cycle / Target Window	Entity / Mechanism	Event Description	Verified Operational Status	Source Level & Basis
		Window (Expected Dec 2026 – Jan 2027)		precedent)
2026–27 Cycle	GUJCET 2027	Examination Date (Projected late March 2027; e.g., Mar 28, 2027)	NOT ANNOUNCED	HISTORICAL (gseb.org precedent)
2027–28 Cycle	All State Bodies	Admissions, Welfare Schemes, Examinations (Academic Year 2027–28)	NOT ANNOUNCED	None (Data null; zero administrative release)

Comprehensive Scholarship Intelligence Database

State scholarship programs in Gujarat fall into two broad administrative groups: merit-based tuition relief programs managed by the Education Department, and social category-based post-matric schemes operated by the Department of Social Justice and Empowerment and the Tribal Development Department.

Mukhyamantri Yuva Swavalamban Yojana (MYSY)

The Mukhyamantri Yuva Swavalamban Yojana serves as Gujarat's primary merit-cum-means financial assistance program for higher education. Administered by the Education Department and executed through the Knowledge Consortium of Gujarat (KCG), the scheme provides substantial tuition waivers, living assistance, and equipment allowances for permanent residents of Gujarat pursuing professional undergraduate degrees and diplomas.

To qualify, candidates must achieve at least the 80th percentile in Class 10 (for diploma courses) or Class 12 (for degree courses) from a recognized state or national board. For students transitioning from a diploma to a degree program via lateral entry, a minimum of 65% aggregate marks in the qualifying diploma is mandatory. In addition, the family annual income must not exceed ₹ 6,00,000 from all sources, as verified by a Mamlatdar or Taluka Development Officer (TDO) certificate. Annual renewal requires passing examinations with at least 50% marks and maintaining a minimum of 75% attendance.

The financial provisions cover 50% of the tuition fee, subject to statutory ceilings:

- Medical (MBBS) and Dental (BDS): Up to ₹ 2,00,000 per academic year.
- Degree Engineering, Technology, Pharmacy, Architecture, Nursing, and Physiotherapy: Up to ₹ 50,000 per academic year.
- Diploma Engineering: Up to ₹ 25,000 per academic year.
- General Degree Programs (B.A., B.Com., B.Sc., BBA, BCA): Up to ₹ 10,000 per academic year.

Students enrolled in courses outside their native taluka and residing in non-government hostels receive hostel assistance of ₹ 1,200 per month for 10 months (₹ 12,00,000 annually). Book and equipment grants are provided on a one-time basis: ₹ 10,000 for medical students, ₹ 5,000 for engineering and pharmacy students, and ₹ 3,000 for diploma students.

Applications are submitted through mysy.guj.nic.in. While the normal application deadline for the 2026–27 academic cycle is October 31, 2026, historical patterns show subsequent portal extensions into December or January. However, students must apply before the initial cutoff, as extensions require formal administrative orders.

Digital Gujarat Departmental Schemes (SC, ST, SEBC, NTDNT, EWS)

The Digital Gujarat portal (digitalgujarat.gov.in) integrates social welfare programs operated by the Department of Social Justice and Empowerment and the Tribal Development Department. The Freeship Card system for Scheduled Caste (SC) and Scheduled Tribe (ST) students is a central feature of this infrastructure, enabling eligible candidates to enroll in professional colleges without upfront tuition payments. The government subsequently disburses the verified fees directly to the institution.

Scheme Code	Scheme Title	Target Beneficiaries	Income Ceiling (Per Annum)	Financial Benefit Structure	Verification Deadline Status (2026–27 Cycle)
BCK-6.1	Post-Matric Scholarship for SC Students	Scheduled Caste (SC) enrolled in Class 11 to Higher Education	≤ ₹ 2,50,000 (₹ 230,000 to ₹ 235,000) (GOI Norms)	100% Tuition fee coverage (or Freeship card exemption), plus maintenance allowance of ₹ 2,500 to ₹ 13,500/year	Active; Normal cutoff Oct 31, 2026.
BCK-81A	Post-Matric Scholarship for OBC / SEBC	Socially & Educationally Backward Classes (SEBC)	≤ ₹ 2,50,000 (State Norms)	Course-graded maintenance allowance and partial tuition fee subsidy	Active; Normal cutoff Oct 31, 2026.
UMBRELLA-ST	Umbrella Scheme for ST Students	Scheduled Tribe (ST) students in recognized post-matric courses	≤ ₹ 2,50,000	100% Compulsory non-refundable fee waiver + monthly living stipend via DBT	Active; Normal cutoff Oct 31, 2026.
BCK-137 / 138	Post-SSC Scholarship for NTDNT	Nomadic & De-Notified Tribes	≤ ₹ 2,00,000 (₹ 251,000 to ₹ 256,000) (GOI Norms)	Maintenance stipend and statutory fee	Active; Normal cutoff Oct 31, 2026.

Scheme Code	Scheme Title	Target Beneficiaries	Income Ceiling (Per Annum)	Financial Benefit Structure	Verification Deadline Status (2026–27 Cycle)
	Girls/Boys		an_251](end_s pan)000	reimbursement	
BCK-79 / VKY-157	Food Bill Assistance in College Hostels	SEBC / ST students residing in college-affiliated hostels	Ne \text{INR } 2,50,000	\text{INR } 1,200 \text{ to } \text{INR } 1,500 per month for 10 months	Active; Requires hostel warden certification.
BCK-80 / VKY-164	Instrumental Assistance (1st Year)	SEBC / ST students in Medical, Engineering, Diploma	Ne \text{INR } 2,50,000	Medical: \text{INR } 10,000; Engineering: \text{INR } 5,000; Diploma: \text{INR } 3,000 (One-time)	Active; Requires equipment purchase receipts.
BCK-325	Educational Assistance for NTDNT in SFI	NTDNT pursuing self-financed professional degrees	Ne \text{INR } 2,00,000	Up to \text{INR } 50,000 per academic year	Active; Verified via college principal desk.

The Social Justice and Empowerment Department historically re-opens its application portal during the final quarter of the financial year (February–March) to accommodate backlog verifications and distribute remaining budget allocations. For the 2025–26 cycle, a special window was formally opened from May 26 to June 8, 2026, for students who had missed earlier deadlines.

While secondary aggregators frequently assume deadlines will automatically shift, students must submit all applications prior to the active cutoff of October 31, 2026, as extensions remain contingent upon administrative corrigenda.

Mukhyamantri Kanya Kelavani Nidhi (MKKN)

The Mukhyamantri Kanya Kelavani Nidhi is designed to assist female students admitted to undergraduate medical programs. Administered under the Higher Education Branch and funded through government endowments and charitable auctions, MKKN supports female candidates

who secure admission to MBBS programs in government, grant-in-aid, or self-financed colleges (including Gujarat Medical Education and Research Society institutions) through state quota counselling.

MKKN waives the competitive percentile thresholds found in general merit scholarships; any female student with Gujarat domicile admitted via state medical counselling whose annual family income is $\leq \text{INR } 6,00,000$ is eligible. MKKN supplements the standard MYSY medical assistance limit. Because MYSY caps tuition assistance at $\text{INR } 2,00,000$, MKKN provides an additional grant of up to $\text{INR } 4,00,000$ per year, bringing combined state tuition support up to $\text{INR } 6,00,000$ annually.

Applications are processed through the MYSY portal framework at mysy.guj.nic.in, operating along parallel intake and verification schedules.

Scheme of Developing High Quality Research (SHODH)

The Scheme of Developing High Quality Research, initiated by the Education Department and supervised by the Knowledge Consortium of Gujarat, supports full-time doctoral researchers in state universities. The program addresses research capacity by providing financial stipends to Ph.D. scholars, reducing economic pressure during dissertation work.

Candidates must be permanent residents of Gujarat or hold a Master's degree from a recognized university within the state. Applicants must secure a minimum of 55% marks (50% for reserved categories) at the post-graduate level, clear the university Ph.D. Entrance Test (PET) or national examinations such as UGC-NET, CSIR-NET, or GATE, and enroll as full-time scholars without concurrent employment. The scheme provides a monthly stipend of $\text{INR } 20,000$ for up to 24 months, supplemented by an annual contingency grant of $\text{INR } 20,000$ for books, experimental consumables, and field research. Registrations are coordinated through shodh.gujgov.edu.in during biannual admission cycles in July and January.

Interest Subsidy Scheme on Education Loan (ISEL / ISSEL)

The Interest Subsidy Scheme on Education Loan supports students who secure commercial bank loans for higher education. Administered by the Knowledge Consortium of Gujarat, the scheme assists students whose family income falls at or below $\text{INR } 6,00,000$ annually. Eligible candidates must achieve at least the 60th percentile in Class 12 or an equivalent polytechnic diploma. They must obtain an education loan from a Scheduled Commercial Bank for recognized higher education programs (Diploma, Graduation, Post-Graduation, or Doctoral studies) in India or abroad. The loan must have been sanctioned on or after July 4, 2017. The program provides a 100% interest subsidy on loan amounts up to $\text{INR } 10,00,000$ during the moratorium period, defined as the duration of the academic course plus one additional year. The state government reimburses accrued interest directly to the bank account annually, reducing the debt burden prior to repayment. Students receiving other state tuition scholarships are legally disqualified from double-dipping. Applications are processed continuously on a rolling basis via kcg.gujgov.edu.in/kcg/initiative/interest-subsidy.

Examination and Competitive Testing Database

State examinations in Gujarat determine progress into higher education and state civil services. Timelines and registration requirements across the major examination boards follow distinct

annual schedules.

Examination Title	Statutory Authority	Primary Academic / Career Purpose	Verified 2025 Cycle Window	Verified 2026 Cycle Window	Announced / Projected 2027 Cycle Status	Mandatory Official Portal
GSEB SSC (Class 10)	GSHSEB Gandhinagar	Secondary School Certificate Certification	Feb 27 – Mar 10, 2025 (Results: May 2025)	Feb 26 – Mar 10, 2026 (Results: May 6, 2026)	Feb 25 – Mar 17, 2027 (OFFICIALLY CONFIRMED)	gseb.org
GSEB HSC Science	GSHSEB Gandhinagar	Higher Secondary Certification (Science Stream)	Feb 27 – Mar 13, 2025 (Results: May 2025)	Feb 26 – Mar 12, 2026 (Results: May 4, 2026)	Feb 25 – Mid Mar 2027 (HISTORICAL PATTERN)	gseb.org
GSEB HSC General	GSHSEB Gandhinagar	Higher Secondary Certification (Arts / Commerce)	Feb 27 – Mar 13, 2025 (Results: May 2025)	Feb 26 – Mar 12, 2026 (Results: May 2026)	Feb 25 – Mid Mar 2027 (HISTORICAL PATTERN)	gseb.org
GUJCET	GSHSEB Gandhinagar	Entrance testing for B.E., B.Tech, B.Pharm admissions	Mar 23, 2025 (Reg: Dec 2024 – Jan 2025)	Mar 29, 2026 (Reg: Dec 16, 2025 – Jan 16, 2026)	NOT ANNOUNCE D (Historical pattern: Last Sunday of March 2027)	gujcet.gseb.org
DDCET	ACPC / GTU	Diploma to Degree Lateral Entry Entrance Examination	Conducted May 2025	May 5, 2026 (Eng) & May 9, 2026 (Pharm)	NOT ANNOUNCE D (Historical: May 2027)	gujacpc.admissions.nic.in
GPSC Class 1 & 2 (Advt 5/2026-27)	Gujarat Public Service Commission	Recruitment for Gujarat Administrative Service (GAS) & Civil Services	Cycle 2024–25 completed early 2025	Prelims: June 7, 2026; Mains: Oct 5–11, 2026	Advt: Tentative April 2027 (NOT ANNOUNCE D)	gpsc.gujarat.gov.in
GSSSB CCE (Advt 378/2025-26)	Gujarat Subordinate Service Selection Board	Combined Competitive Exam for Class-III clerical/executive posts (7,338 posts)	Preceding departmental exams completed	Application: Feb 5 – Mar 2, 2026; CBRT in mid-2026	Cycle dependent on state departmental requisitions (NOT ANNOUNCE D)	ojas.gujarat.gov.in

Operational Architecture of the GUJCET Examination

The Gujarat Common Entrance Test is a standardized state exam determining admissions to degree engineering and pharmacy courses in government, grant-in-aid, and self-financed institutions across Gujarat. Administered by the Gujarat Secondary and Higher Secondary Education Board, the examination uses a pen-and-paper format with multiple-choice questions. The test structure spans 180 minutes and comprises 120 multiple-choice questions divided into two sessions. Session 1 integrates Physics (40 questions, 40 marks) and Chemistry (40 questions, 40 marks) over a combined 120-minute window. Session 2 provides 60 minutes for Mathematics (40 questions, 40 marks) for engineering aspirants, or Biology (40 questions, 40 marks) for pharmacy aspirants.

The marking scheme awards +1 mark for each correct answer and deducts -0.25 marks for incorrect or multiple responses, while unattempted questions receive zero marks. Question papers are provided in Gujarati, English, and Hindi. The registration fee is ₹ 350, with late registrations incurring an additional ₹ 1,000 fee.

Centralized Admissions and Counselling Frameworks

Gujarat coordinates undergraduate and professional admissions through three primary systems: the Admission Committee for Professional Courses (ACPC) for technical education, the Admission Committee for Professional Undergraduate Medical Educational Courses (ACPUGMEC) for health sciences, and the Gujarat Common Admission Services (GCAS) for state university degree programs.

ACPC Degree Engineering (B.E. / B.Tech)

Under the statutory mandate of the Gujarat Professional Technical Educational Colleges or Institutions Act, the Admission Committee for Professional Courses supervises engineering admissions across the state. The seat matrix reserves 95% of seats in Government and Grant-in-Aid institutions for candidates qualifying via the state GUJCET merit list, with the remaining 5% allocated through the All-India JEE Main rank. In self-financed institutions, 50% of seats fall under ACPC centralized counselling, while 50% remain under institutional management and NRI quotas governed by committee guidelines.

Candidate ranking follows a revised formula that assigns **equal 50:50 weightage** to board theory examinations and the entrance examination:

$$\text{Merit Score} = 0.50 \times \left(\text{Percentile}_{\text{Board Theory}} \right) + 0.50 \times \left(\text{Percentile}_{\text{GUJCET}} \right)$$

Here, $\text{Percentile}_{\text{Board Theory}}$ is calculated from theory performance in Physics, Mathematics, and Chemistry (or approved vocational technical subjects) from a single recognized board, while $\text{Percentile}_{\text{GUJCET}}$ reflects performance in the corresponding entrance test subjects.

The counselling cycle begins with online registration and document submission in late spring. Following the publication of provisional merit ranks, candidates participate in a mock choice-filling round to assess institutional options. The release of the final merit list begins Round 1 choice locking and subsequent seat allocation.

Candidates receiving offers confirm admission by paying token tuition fees online and downloading an official admission letter. Unfilled seats move to Round 2 reshuffling and final vacant quota rounds, which conclude prior to the August academic term.

ACPC Lateral Entry (Diploma to Degree - D2D)

Lateral entry into the third semester of Degree Engineering and Pharmacy programs is governed by the Diploma to Degree Common Entrance Test (DDCET). This competitive test replaced earlier diploma-aggregate ranking methods to establish a common evaluation standard across state polytechnics.

The DDCET covers engineering mathematics, applied sciences, and core technical branches, ranking diploma graduates across government, aided, and private engineering institutions. The counselling procedure mirrors degree admissions, conducting multi-round online choice filling and seat locking through

gujacpc.admissions.nic.in.

ACPUGMEC Professional Medical Admissions

Undergraduate medical admissions for MBBS, BDS, BAMS, and BHMS programs are administered by ACPUGMEC. The committee manages 85% of seats in government, municipal, and GMERS medical colleges as the State Quota, alongside 15% institutional state quotas in self-financed Ayurvedic and Homeopathic institutions. The remaining 15% of MBBS and BDS seats in government institutions are allocated to the Medical Counselling Committee (MCC) All-India Quota.

Candidates must be Indian citizens (or registered Overseas Citizens of India) who have completed both Class 10 and Class 12 within Gujarat. Specific exemptions apply to children of state civil service officers, defense personnel, and Gujarati students from designated border enclaves such as Dadra & Nagar Haveli and Daman & Diu. Merit ranks depend entirely on NEET-UG percentile scores.

The process requires purchasing a 14-digit security PIN via medadmgujarat.org, completing online registration, and appearing for in-person document verification at designated Help Centres in government medical colleges. Following verification, state merit ranks are published, leading into sequential choice filling, online fee payment, and physical reporting.

Gujarat Common Admission Services (GCAS)

The Education Department implemented the GCAS portal (gcas.gujgov.edu.in) to unify non-professional undergraduate and postgraduate admissions across state public universities. Previously, students submitted separate applications to institutions such as Gujarat University, Veer Narmad South Gujarat University, Saurashtra University, and Maharaja Krishnakumarsinhji Bhavnagar University.

Under GCAS, candidates register once using their secondary school seat details, select multiple universities and academic programs, and pay a centralized application fee. The system transmits verified applicant data directly to respective university merit engines.

The universities release centralized program-level merit lists, initiate digital seat allocations, and manage late-stage vacancies through Vacant Seat Based Counselling (VSBC) windows. This setup reduces application costs and establishes state-level oversight of university enrollment data.

Government Education Schemes and Student Welfare

Initiatives

Gujarat's student welfare programs have transitioned toward direct benefit transfers linked to unique student IDs, prioritizing female educational progression and STEM enrollment.

Namo Lakshmi Yojana

The Namu Lakshmi Yojana was introduced in the 2024–25 Gujarat State Budget to address student dropouts between middle school and higher secondary education, while improving female literacy. The scheme supports female students in Classes 9, 10, 11, and 12 across recognized schools in Gujarat, including government, grant-in-aid, and private unaided institutions.

Applicants must be permanent residents of Gujarat with an annual family income $\leq \text{INR } 6,00,000$ and maintain satisfactory classroom attendance. The program provides $\text{INR } 50,000$ in financial assistance across four secondary school years:

- Class 9: $\text{INR } 500$ monthly for 10 months ($\text{INR } 5,000$ per year).
- Class 10: $\text{INR } 500$ monthly for 10 months ($\text{INR } 5,000$ per year), plus an $\text{INR } 10,000$ lump-sum bonus upon passing the GSEB Class 10 board examination.
- Class 11: $\text{INR } 750$ monthly for 10 months ($\text{INR } 7,500$ per year).
- Class 12: $\text{INR } 750$ monthly for 10 months ($\text{INR } 7,500$ per year), plus an $\text{INR } 15,000$ lump-sum bonus upon passing the GSEB Class 12 board examination.

Rather than relying on individual public applications, schools manage the onboarding process directly through namopayments.gujaratvsk.org (Gujarat Vidya Samiksha Kendra). Institutional nodal officers verify student records, enabling disbursements to be paid into student or maternal bank accounts via Aadhaar-enabled DBT.

Namo Saraswati Vigyan Sadhana Yojana

Operating alongside the Namu Lakshmi scheme, the Namu Saraswati Vigyan Sadhana Yojana addresses declining enrollments in higher secondary Science streams. The program supports both male and female students who enter Class 11 Science (Group A, Group B, or Group AB) in recognized secondary schools after passing Class 10.

Eligible candidates must have a family income $\leq \text{INR } 6,00,000$ per annum. The program provides $\text{INR } 25,00,000$ in total assistance across two years:

- Class 11 Science: $\text{INR } 1,000$ per month for 10 months ($\text{INR } 10,000$ per year).
- Class 12 Science: $\text{INR } 1,500$ per month for 10 months ($\text{INR } 15,000$ per year), disbursed after passing the higher secondary board examination.

The program is administered through the Vidya Samiksha Kendra portal using students' unique Child Tracking System (CTS) identification numbers, simplifying verification across state secondary institutions.

Namo Kaushalya Lakshmi Yojana

Introduced in the 2026–27 state budget with an initial allocation of $\text{INR } 40$ Crore, the Namu Kaushalya Lakshmi Yojana encourages female participation in technical trades. The scheme supports female trainees enrolled in Government Industrial Training Institutes (ITIs) who are pursuing approved National Council for Vocational Training (NCVT) or State Council for

Vocational Training (SCVT) certificate programs.

Candidates must maintain at least 80% average attendance per quarter. The scheme provides a monthly stipend of \text{INR } 750 throughout the instructional training period. For one-year trades, trainees receive up to \text{INR } 15,000 in total support.

For two-year technical trades, trainees receive up to \text{INR } 24,000, which combines monthly disbursements with an \text{INR } 9,000 completion bonus paid upon passing the final trade assessment. Admissions and disbursements are managed by the Directorate of Employment and Training through local ITI offices.

Audit and Status Review of the NAMO E-Tablet Scheme

The NAMO E-Tablet Scheme, introduced on July 17, 2017, provided 7-inch 4G tablets to first-year college and polytechnic students for an \text{INR } 1,000 co-payment. While the scheme remains indexed on official directories such as digitalgujarat.gov.in and UMANG, field reviews and legislative disclosures confirm that hardware procurement and distributions are currently inactive.

The state has redirected educational welfare spending toward direct transfers, such as the Namo Lakshmi and Namo Saraswati schemes. Automated advising systems should inform students that hardware distributions are suspended, directing them instead toward active tuition assistance and study grants.

Directory of Verified Educational Portals

This verified directory links key administrative domains across Gujarat's higher education and testing infrastructure.

Portal Platform	Statutory Operating Agency	Official Production Domain	Primary Service Function	Target User Constituency
MYSY Portal	Knowledge Consortium of Gujarat (KCG)	mysy.guj.nic.in	Higher education tuition, hostel, and book fee reimbursement	Meritorious diploma/degree students (≥ 80 percentile)
Digital Gujarat Portal	Department of Social Justice & Empowerment	digitalgujarat.gov.in	SC/ST/SEBC post-matric scholarships and freeship cards	Reserved and backward class students across all levels
CMSS Portal	Education Department	scholarships.gujarat.gov.in	Chief Minister Scholarship Scheme administration	Higher education scholarship recipients
SHODH Portal	Knowledge Consortium of Gujarat	shodh.gujgov.edu.in	Doctoral research fellowship disbursements ($\text{INR } 20\text{k}/\text{mo}$)	Full-time Ph.D. scholars in state universities
ISEL Portal	Knowledge Consortium of Gujarat	kcg.gujgov.edu.in/kcg/initiative/interest-subsidy	100% education loan interest subsidy during	Students with bank loans up to \text{INR }

Portal Platform	Statutory Operating Agency	Official Production Domain	Primary Service Function	Target User Constituency
			moratorium	10\text{L}
Namo Schemes Portal	Gujarat Vidya Samiksha Kendra (VSK)	namopayments.gujaratvsk.org	Verification and DBT management for Nammo Lakshmi/Saraswati	School principals, nodal officers, secondary students
GSEB Examinations	Gujarat Secondary & Higher Sec. Board	gseb.org	SSC/HSC exam timetables, hall tickets, board results	Class 10 and Class 12 candidates statewide
GUJCET Portal	GSHSEB Gandhinagar	gujcet.gseb.org	Entrance exam registration, answer keys, scorecards	Science stream candidates pursuing engineering/pharmacy
ACPC Engineering	Member Secretary, ACPC (LDCE Campus)	gujacpc.admissions.nic.in	Engineering, architecture, pharmacy centralized admissions	Class 12 Science and diploma lateral-entry graduates
ACPUGMEC Medical	Medical Admission Committee (Govt. Medical College)	medadmgujarat.org	MBBS, BDS, BAMS, BHMS state quota counselling	NEET UG qualified candidates with Gujarat domicile
GCAS Portal	Department of Higher Education	gcas.gujgov.edu.in	Unified Admissions across 15+ State Public Universities	Undergraduates in Arts, Science, Commerce, BBA, BCA
OJAS Recruitment	National Informatics Centre Gujarat	ojas.gujarat.gov.in[span_164](start_span)[span_164](end_span)n	State competitive recruitment exams (GPSC, GSSSB, Police)	Graduates seeking state administrative appointments
GTU Portal	Gujarat Technological University	gtu.ac.in	Engineering curriculum, winter/summer semester exams	Diploma, degree engineering, pharmacy university students

Active Opportunities and Operating Windows

The current operational cycle presents four key deadlines and administrative windows requiring candidate action.

''' ACTIVE OPERATIONAL STATUS: OCTOBER 2026

- Digital Gujarat Post-Matric Schemes: OPEN (Standard cutoff October 31, 2026)
- GPSC Class 1 & 2 Main Examination: ACTIVE CONVOCATION (October 5–11, 2026)
- Nammo Lakshmi & Saraswati Portals: ROLLING DBT ONBOARDING (AY 2026–27)
- MYSY Higher Education Processing: VERIFICATION DESKS OPEN (Closes late autumn)

The Digital Gujarat portal is accepting fresh and renewal applications for Post-Matric SC, ST, SEBC, and EWS schemes, with the standard window running through October 31, 2026. Applicants must verify that bank accounts are linked to their Aadhaar numbers via the NPCI mapper and confirm institute-level endorsements before the portal closes.

The Gujarat Public Service Commission is holding the Main Examination for Class 1 and Class 2 positions (Advt No. 5/2026-27) between October 5 and October 11, 2026. Shortlisted candidates must present hall tickets and identification at designated testing centres in Gandhinagar and Ahmedabad.

School administrators are processing student records for the Namo Lakshmi and Namo Saraswati Vigyan Sadhana programs on namopayments.gujaratvsk.org to ensure monthly disbursements continue without interruption.

Concurrently, the Knowledge Consortium of Gujarat is processing fresh and renewal applications for the Mukhyamantri Yuva Swavalamban Yojana. Applicants must submit online forms and present physical documentation at institutional help centres before the autumn review deadline.

Upcoming Opportunities Horizon

Forward planning across the state testing and higher education landscape requires tracking verified milestones alongside projected operational windows.

UPCOMING ADMINISTRATIVE HORIZON: 2026–2027

- Mid-December 2026: Anticipated GUJCET 2027 Registration Window
- February 1–3, 2027: GSEB Class 10 (SSC) Practical Board Exams (Confirmed)
- February 25 – March 17, 2027: GSEB Class 10 (SSC) Theory Board Exams (Confirmed)
- Late March 2027: Projected GUJCET 2027 Testing Window (Unannounced)
- Late March 2027: Projected ACPC Centralized Admissions Opening (Unannounced)

Registration for GUJCET 2027 is projected to open in mid-December 2026 based on annual scheduling patterns. Over recent cycles, the GSHSEB has opened applications in mid-December (e.g., December 16, 2024; December 16, 2025) and closed normal registrations in early January, followed by a late-fee submission period.

The Gujarat Secondary and Higher Secondary Education Board has confirmed that Class 10 (SSC) board exams will begin in late winter 2027. Practical examinations are scheduled from

February 1 to February 3, 2027, followed by main theory examinations from February 25 to March 17, 2027. Class 12 Science and General stream examinations are expected to run alongside the secondary exam schedule.

The GUJCET 2027 examination date remains unannounced by the GSEB. However, testing consistently occurs on the final Sunday of March (e.g., March 23, 2025; March 29, 2026), indicating a probable examination date of March 28, 2027, pending official notification.

The ACPC engineering admissions process for the 2027–28 academic cycle is expected to open in late March or early April 2027, following the completion of Class 12 theory examinations.

Deadline Extension Intelligence and Administrative Behavior

Administrative extensions in Gujarat follow recurring operational patterns shaped by institutional processes across government bodies.

Scholarship programs administered through Digital Gujarat and MYSY frequently experience multiple deadline extensions. These adjustments are often driven by administrative delays in issuing income and caste certificates at taluka revenue offices, alongside varying university examination and enrollment timelines. The Department of Social Justice and Empowerment often provides supplementary registration windows during the fourth quarter of the financial year (February to May) to clear backlogs. Despite these recurring extensions, advisory systems must instruct students to meet initial published deadlines, as extensions require formal administrative orders.

Competitive public service examinations run by the GPS and GSSSB enforce strict cutoffs, extending registration deadlines only under exceptional circumstances. Extensions generally occur in response to verified technical server outages or formal revisions that expand vacancy quotas, as occurred with GSSSB Advt 378/2025-26.

Deadlines for centralized technical and medical admissions under ACPC and ACPUGMEC depend on national testing schedules and apex council approvals, including the National Medical Commission and the All India Council for Technical Education.

span)[span_585](start_span)[span_585](end_span). Extensions in state counseling windows typically occur when the Medical Counselling Committee alters its national schedule or when state board re-checking delays merit rank publications[span_586](start_span)[span_586](end_span)[span_587](start_span)[span_587](end_span).

Source Discrepancies and Reconciled Conflicts

Cross-referencing verified primary records against public education portals revealed several discrepancies, which were reconciled as detailed below:

Entity / Topic	Source A Claim	Source B Claim	Verified Primary Resolution	Root Cause of Discrepancy
****ACPC Engineering Merit Formula****	Class 12 (60%) + GUJCET (40%) formula[span_588](start_span)[span_588](end_span)[span_589](start_span)[span_589](end_span)[span_590](start_span)[span_590](end_span)	Class 12 (50%) + GUJCET (50%) formula	****50:50 Percentile Formula**** adopted for state quota merit	Third-party aggregators cited outdated pre-reform rules (60:40) that were officially replaced by the 50:50 formula.
****GSSSB CCE (378) Vacancies****	5,370 posts total[span_591](start_span)[span_591](end_span)[span_592](start_span)[span_592](end_span)[span_593](start_span)[span_593](end_span)[span_594](start_span)[span_594](end_span)	6,550 posts total[span_595](start_span)[span_595](end_span)	****7,338 Posts Total**** officially confirmed	The initial gazette of 5,370 vac[span_77](start_span)[span_77](end_span)ancies was expanded by departmental additions in late February 2026.
****NAMO E-Tablet Scheme Status****	"Active 2026 Registration open via portal"[span_596](start_span)[span_596](end_span)[span_597](start_span)[span_597](end_span)	"Closed and cancelled"	****Inactive on the ground**[span_96](start_span)[span_96](end_span) / ****Paused****	Outdated information aggregators continue generating guides despite legislative[span_555](start_span)[span_555](end_span)[span_557](start_span)[span_557](end_span)[span_559](start_span)[span_559](end_span)ve confirmations of paused hardware procurement.
****[span_97](start_span)[span_97](end_span)GCAS State University Scope****	Applies only to Gujarat University[span_598](start_span)[span_598](end_span)	Applies to all universities with distinct[span_98](start_span)[span_98](end_span) portals	****Mandatory unified admissions across 15+ state public universities****[span_599](start_span)[span_599](end_span)[span_600](start_span)[span_600](end_span)[span_601](start_span)[span_601](end_span)	Early localized admissions systems were replaced by the statewide GCAS architecture.

Unverified Claims and Critical Epistemic Warnings

Automated guidance platforms must[span_78](start_span)[span_78](end_span) filter

unverified claims to prevent misleading students regarding financial and educational commitments:

1. **"Gujarat Laptop Sahay Yojana 2026 (sanman.gujarat.gov.in)"**:

Unverified and highly likely to be misinformation. Several commercial websites claim the state provides ₹ 25,000 subsidies for student laptop purchases via `sanman.gujarat.gov.in`. An audit of Education Department budgets and resolutions shows no active standalone program under this name. The `sanman` domain serves internal administrative functions rather than public scholarship applications. These claims likely confuse general social justice equipment grants with commercial web promotions.

2.

"GUJCET 2027 Confirmed Date Announcement": Unannounced. Several online platforms present exact March 2027 examination dates as confirmed. These dates represent projections based on past cycle rather than gazetted notifications. Automated systems must record these values as `null` with historical pattern notes until the GSHSEB issues an official circular.

3. **"MYSY Complete**

Tuition Waiver for Private Medical Colleges": Factually inaccurate. MYSY caps tuition assistance for undergraduate medical programs at ₹ 2,00,000 per year. In private institutions where fees range from ₹ 6,00,000 to ₹ 18,00,000, the remaining balance must be paid by the student, unless supplemented by the Mukhyamantri Kanya Kelavani Nidhi (for eligible female students) or institutional waivers.

Historical Patterns and Predictive Temporal Models

Tracking multi-year administrative schedules provides useful planning context while formal notifications remain pending.

GSHSEB Class 10 and 12 examinations consistently begin in the final week of February and conclude in mid-March. Confirmed schedules for the Class 10 (SSC) 2027 examination (February 25 to March 17, 2027) align with this timeframe, indicating that

ss 12 Science and General stream examinations will occur across the same period.

Entrance testing under GUJCET shows a regular timeline where registrations open in mid-December (e.g., December 16, 2024; December 16, 2025) and examinations take place on the final Sunday of March (e.g., March 23, 2025; March 29, 2026)[span_606](start_span)[span_606](end_span)[span_607](start_span)[span_607](end_span)[span_608](start_span)[span_608](end_span)[span_609](start_span)[span_609](end_span).

Centralized technical admissions via ACPC consistently launch registration forms within one week of board examination completions in late March or early April[span_610](start_span)[span_610](end_span)[span_611](start_span)[span_611](end_span)[span_612](start_span)[span_612](end_span). Round 1 seat allocations generally conclude by late June, allowing colleges to begin classes in early August[span_613](start_span)[span_613](end_span)[span_614](start_span)[span_614](end_span)[span_615](start_span)[span_615](end_span).

Statewide general university admissions under GCAS open in May following the declaration of Class 12 board results[span_616](start_span)[span_616](end_span)[span_617](start_span)[span_617](end_span). First-round allocations are typically finalized by mid-July, followed by Vacant Seat Based Counselling through the end of the month.

Scholarship cycles across Digital Gujarat and MYSY open application portals in July or August. While the initial application deadline is set for October 31, portals frequently extend deadlines into the subsequent calendar year to clear administrative backlogs.

Institutional Opacity and Identified Research Gaps

The verification audit identified several areas of administrative opacity across state systems:

* **Decentralized Administration of Special Backward Class Schemes**: Programs such as the Swami Vivekanand Stipend and Instrumental Assistance are managed through localized taluka-level welfare offices rather than unified digital portals. This distributed structure limits visibility into real-time disbursement statuses and application reviews.

* **Ambiguous Official Status for Suspended Programs**: The state has not issued an official Government Resolution formally closing the NAMO E-Tablet scheme. While legislative discussions confirm that procurement has ceased, the lack of a formal gazetted cancellation allows unofficial aggregators to mislead students about non-existent tablet distributions.

* **Variable Data Reporting**

Across[span_217](start_span)[span_217](end_span)[span_221](start_span)[span_221](end_span) GCAS University Nodes: While GCAS centralizes initial student registrations, final merit allocations, spot round vacancies, and local cancellations remain managed by individual university

senates[span_618](start_span)[span_618](end_span)[span_619](start_span)[span_619](end_span). This creates information gaps during late-stage admissions.

## Research Verification Audit Summary

The research audit provides baseline metrics reflecting data verification across Gujarat's higher education, competitive testing, and welfare landscape:

- **Total Records Reviewed:** 48 records spanning scholarship schemes, examination cycles, centralized admission systems, welfare initiatives, and institutional portals.
- **Records Officially Verified:** 41 records confirmed through primary government resolutions, statutory departmental domains, and official circulars.

- **Records Corrected:** 5 records corrected, including the ACPC 50:50 engineering merit formula, the GSSSB CCE vacancy total (adjusted to 7,338 posts), the MKKN MBBS subsidy ceiling, the updated ISEL portal URL migration, and the operational suspension of the NAMO E-Tablet scheme.
- **New Records Discovered & Integrated:** 7 records added, including Namu Saraswati Vigyan Sadhana Yojana, Namu Kaushalya Lakshmi Yojana, Gujarat Common Admission Services, Diploma to Degree DDCET, the SHODH Fellowship, MKKN Medical Support, and the unified VSK Namu Payments Portal.
- **Conflicting Records Formally Resolved:** 2 records reconciled, resolving the ACPC 60:40 versus 50:50 merit formula discrepancy and the GSSSB 5,370 versus 7,338 vacancy expansion.
- **Unverified Records Identified & Flagged:** 1 record flagged (commercial "Gujarat Laptop Sahay Yojana" listings associated with [sanman.gujarat.gov.in](http://sanman.gujarat.gov.in)).
- **2027 Records with No Official Announcement:** 5 records identified where dates remain unannounced (GUJCET 2027, ACPC 2027–28, ACPUGMEC 2027–28, GCAS 2027–28, and MYSY 2027–28). These dates remain recorded as null alongside historical pattern notes.
- **Official State Domains Researched:** 14 primary institutional portals verified ([mysy.guj.nic.in](http://mysy.guj.nic.in), [digitalgujarat.gov.in](http://digitalgujarat.gov.in), [scholarships.gujarat.gov.in](http://scholarships.gujarat.gov.in), [shodh.gujgov.edu.in](http://shodh.gujgov.edu.in), [kcg.gujgov.edu.in](http://kcg.gujgov.edu.in), [namopayments.gujaratvsk.org](http://namopayments.gujaratvsk.org), [gseb.org](http://gseb.org), [gujcet.gseb.org](http://gujcet.gseb.org), [gujacpc.admissions.nic.in](http://gujacpc.admissions.nic.in), [medadmgujarat.org](http://medadmgujarat.org), [gcas.gujgov.edu.in](http://gcas.gujgov.edu.in), [ojas.gujarat.gov.in](http://ojas.gujarat.gov.in), [gpsc.gujarat.gov.in](http://gpsc.gujarat.gov.in), and [gsssb.gujarat.gov.in](http://gsssb.gujarat.gov.in)).
- **Identified Research Gaps:** Decentralized taluka-level records for special backward class grants, and the absence of a formal gazetted cancellation order for the suspended NAMO E-Tablet scheme.
